I would like to personally welcome you to the Weber Center for the Performing Arts. Built in 2013 the Weber Center is a collaborative venue supporting the missions of La Crosse Community Theatre and Viterbo University.

This state of the art facility is fully equipped to serve all the demands of special events, corporate meetings, weddings, concerts, theatre, and receptions of all kinds. Whether your event be large or small, it is my goal to give each customer the personal attention that your event deserves.

I invite you to take a moment and look at what our facility has to offer for your special event. On behalf of the Weber Center for the Performing Arts and myself, we hope you will share your future event with us!

The Cleary Terrace, located outdoors on the roof of the Weber Center for the Performing Arts, is a unique experience for any gathering of up to 120 people. It offers a panoramic view of the Mississippi River and the historic Cass Street Bridges and serves as the perfect backdrop for your memorable event. This venue offers flexible seating options and can be set for a sit-down dinner party, cocktail party, wedding ceremony, or set up for a live band.

Recognizing that weather can be a challenge, when booking the Cleary Terrace, space is reserved inside the Weber Center for the Performing Arts to ensure your event is a success, rain or shine.
